Citadel Servicing Corporation analyzes your escrow account annually, in accordance with federal regulations, to ensure we collect sufficient funds to pay escrow items when they are due. The escrow account projection below, is an estimate of activity in your escrow account during the coming year based on payments anticipated to be made from your account. If you have any questions, you may call our loan servicing department at (949) 900-6630. Please, give your account number when making inquiries by telephone or in writing. We urge you to keep this statement with your loan records for comparison with the actual activity in your account at the end of the escrow accounting computation year.

Our records show that you are a debtor in bankruptcy. We are sending this statement to you for informational and compliance purposes only. It is not an attempt to collect a debt against you.

If your bankruptcy plan requires you to send your regular monthly mortgage payments to the Trustee, you should pay the Trustee instead of us. Please contact your attorney or the Trustee if you have questions.

6/1/2025	\$ 526.92	\$ -		\$ 3,533.26	\$ 2,634.60

Your ending balance from the last month of the account history is **\$3,533.33**. Your starting balance to this analysis should be **\$2,634.67**.

Your escrow balance contains a cushion of **\$1,053.84**. A cushion is an additional amount of funds held in your escrow balance to prevent the balance from becoming overdrawn when an increase in the disbursement amount occurs. Under Federal law, your lowest monthly balance should not exceed **\$1,053.84** or 1/6 of the anticipated payment from the account unless your mortgage contract or State law specified a lower amount. Your mortgage contract and State law are silent on this issue.

Your ending balance from the last month of the account history (escrow balance anticipated) is **\$3,533.33**. Your starting balance (escrow balance required) according to this analysis should be **\$2,634.67**. This means you have a **surplus** of **\$898.66**. Please take notice that your loan must be contractually current for refund of an escrows surplus to take place. Because we show that your loan is currently in default, a refund of any escrow surplus will not take place at this time.

We anticipate the total of your coming year bills to be **\$6,323.11**. We divide that amount by the number of payments expected during the coming year to obtain your escrow payment.
